CANCER CARE TREATMENT

Our specialised cancer care treatment at Spa Sula is individually tailored for every cancer care client. Our qualified staff have been trained in “Touch Therapy Technique” to provide comfort and relief from the symptoms of chemotherapy, radium and related medications.

In a 1 Hour “Touch Therapy” Session, a client can expect a personalised treatment helping to alleviate symptoms such as anxiousness, aches, pains, dry and sore skin, sensitive hands and feet.

Lindi Skin now exclusive to SPA SULA is dedicated to developing skin care products and treatments that ease the burden of common side effects experienced by individuals undergoing treatment for cancer and related medications.
