

## **Spa Supervisor**

We are now inviting applications for the position of Spa Supervisor at our modern family run 4\* Westport Plaza and Castlecourt Hotel Resort.

The ideal candidate will have excellent communication skills, be computer literate with advanced social media skills, and have reception experience in a similar role.

### **The successful candidate will be responsible for:**

Supporting the Spa Management team in the day-to-day running of the Spa

Organising schedules, including weekends and evenings

Training and developing the spa team

Up selling treatments, vouchers and retail sales

Conducting monthly stock takes

Maintaining standards and procedures ensuring a safe and hygienic environment for Guests & Staff

Lifeguard or pool experience would be an advantage for the role.

Evening and weekend work is a requirement in the role.

CIBTAC, CIDESCO and ITEC qualifications are desirable.
